Reasons for comment:	
Comments:	This piece of land is in close proximity to Helen Allison School. School needs a calm and safe environment for its SEN students. This is not ideal for this schools vulnerable students. The road is compromised during busy periods, particularly school run times. Visibility of oncoming traffic is not always clear due to excessive cars parked on the side of roads with parents collecting children. The speed limit further down this road is 50mph, I have observed this limit being continued into this area even though it is restricted to 30mph.

Kind regards
