## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<ol style="list-style-type: none"><li>1. Right next to the Helen Allison school which is a SEN school - the increased noise from the development would severely alter the whole atmosphere and create increased stress to the children attending</li><li>2. This land is agricultural used for food production. In a world where we are trying to increase local food production to reduce carbon emissions it is ludicrous to build on such productive land.</li><li>3. Already severe congestion on local roads particularly around Meopham School at school in/out times which causes traffic jams daily.</li></ol>

Kind regards
