Reasons for comment:	
Comments:	<ol style="list-style-type: none"><li>1. The A227 is already severely overloaded - any incidents/road works cause absolute gridlock and diversions onto narrow country lanes is disastrous</li><li>2. The proposed access from the development is onto a very narrow rural lane and then onto the A227 at a point which is already a black spot</li><li>3. GP, School and local infrastructure already stretched to capacity</li></ol>

Kind regards
