Reasons for comment:	
Comments:	<p>Top quality agricultural land should Not be built on ,it is for growing food !The A227/ Green Lane junction is a notorious blackspot ,frequently gridlocked and extremely dangerous for motorists and pedestrians ,and the possibility of creating an access to the proposed development would be reckless.The area is used by many children making their way to an from the three schools in the vicinity ,and their safety should not be risked further.</p> <p>There is also the adverse impact the development would have on the glorious Camer Park ,350 houses and the resulting environmental damage within a stones throw of an historic ,and treasured, public asset ,enjoyed by both the visitors to ,and the residents of ,Meopham</p>

Kind regards
