Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	As a homeowner at The Curlews, I object to the proposed young-adults care home because this type of setting raises safety concerns for the families living here. The street is quiet and residential, and the increased noise, traffic and frequent staff and visitor movements would disrupt the area and reduce our sense of security. A facility that may involve vulnerable young adults with behavioural or support needs requires stronger supervision than this small residential road can provide. The location is not suitable for managing safeguarding risks and the development would negatively affect safety, privacy and the overall wellbeing of neighbouring homes.

Kind regards
