Reasons for comment:	
Comments:	<p>My objections are as follows:</p> <p>Access and building adjacent to Helen Allison School, a much needed SEN school offering a safe space for children with profound need, children are highly sensitive and this development will cause alarm, stress and sensory overload.</p> <p>The school depends on a calm, low use environment and this development will have a negative impact on very vulnerable children.</p> <p>Longfield Road is extremely narrow with residents' cars parked each side and is highly congested during school pick up and drop off.</p> <p>Dangerous access to 120 houses - potentially 240+ cars/delivery/ service vehicles</p>

Kind regards
