Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This proposed building would increase the flow of traffic in a very busy area and road already. It would create severe delays and potential danger due to the amount of coming and going from the new estate. There are two schools in the immediate area, one being a school for children with special needs who are extremely sensitive to noise and upheaval. To say nothing of the loss of top quality agricultural land and wildlife. Schools are already oversubscribed there's no way to accommodate the influx of more children.

Kind regards
