Reasons for comment:	
Comments:	The proposed development is on quality farmland that is needed for growing food for people .The infrastructure of the area is not capable of sustaining further demands on it's resources and the areas road systems are already overwhelmed.Green Lane is a rural lane and to make an access road from it is ludicrous .Tradescant Drive is already a "rat run " from the morning gridlock in Green Lane and is too narrow to cope with further traffic and would have to become a " no through " road

Kind regards
