Reasons for comment:	
Comments:	Busy road adjacent to two schools. Parking by cars on the south side of Longfield Road effectively reduces the road to one way. The site is high grade agricultural land. Helen Allison School is a SEN category school. The pupils will be disturbed by the construction work and alterations to the adjacent fields which will undoubtedly distress them in the long term. The road is regularly used by drivers exceeding the speed limit of 30mph. Parents/guardians delivering and collecting their children from the primary school cause major problems in the vicinity. The vehicles accessing the Camer Parade shops cause further congestion. The construction of housing in the vicinity will hugely aggravate the issues.

Kind regards
