Reasons for comment:	
Comments:	<p>This proposal would be opposite a very busy and narrow piece of road that has recently been adapted to prevent parking on such a dangerous stretch of road. There is a school opposite and parking is an issue at school drop off and pick up. This is an accident black spot!</p> <p>This would increase the danger . It would also change the whole visual landscape to one of urban sprawl and farming land wildlife would be lost.</p>

Kind regards
