Reasons for comment:	
Comments:	I strongly object to this delightful country lane being turned into a large housing estate on top of green belt land. This lane could in no way support the increased flow of traffic. It is often used as a cut through when there are problems on the local road networks. This would cause gridlock and a danger to road users. The local schools, GPs and hospital are also struggling already to cope, this would worsen the situation and the health of residents would undoubtedly suffer. There would be further loss of agricultural land and wildlife. Meopham and Sole street would in effect be one and the same . Meopham would cease to be a village as we know and live it .

Kind regards
