Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There's no necessity for this. Locally, there's Kedbull Leisure, cygnets in the same road and more similar being built down the road by the spring river. AstroTurf pitches have been shown to be harmful to the environment Hall Road is already a heavy traffic area, made worse by the London Road closure due to collapsing bridge which isn't likely to re open. The road is also used by commuters trying to avoid traffic in the A2. This is a residential road with lots of young families and elderly residents. The hours of operation are not fitting of a secondary school. There is also a rich and varied wildlife that will be disturbed

Kind regards
