Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The impact on the local area is just unthinkable, the lack of public transport, schools with parking and traffic issues surrounding them already, traffic on wrotham/gravesend road, shop and leisure facilities, the flooding that could potentially impact already effected areas inceasing the risk of damage to homes and wellbeing. The increase in population in the area is not somthing most locals want to welcome as this will be takkng away the rural aspect of out community

Kind regards
