Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I do object to this planning application due to the negative impact that will be caused on the wildlife (loss of trees, shrubs, wild green area); due to increased pollution/impact on traffic (extra cars on road, increased pollution near school). Also, the road A227 (going from Culverstone to Meopham) is already often flooded after heavy rainfall. Extra developments in this area would cause extra flood risk/constrains on the drainage.

Kind regards
