| Comments: | I thought this was green belt area and our country side was protected Our village can't cope already with the traffic, this will be disastrous, especially the impact on Wrotham road. At present when there are traffic lights/roax closures it cause chaos and long delays and the back lanes can not cope with the volume of traffic Our local schools and doctors surgeries are at capacity Impact on the environment with loss of wildlife and the additional number of cars this volume of houses would bring would not be good for pollution |

Kind regards
