Reasons for comment:

Comments:	<p>I object to the planning application for the following reasons:</p> <p>The A227 traffic has increased and will worsen considerably. There is a lack of footpaths which increases the risk of accidents especially when one has to keep crossing the road to access footpath. Also cars for the school park on the footpaths and one has to go out in the road to get around them.</p> <p>There will be a strain on public services and local services like doctor surgery and schools. All of which are over subscribed. It is very difficult to obtain a doctor appointment as it is.</p> <p>Burst water pipes happen quite often along A227 which causes traffic to use the very narrow lanes which become heavily gridlocked.</p> <p>We are green belt and should remain Greenbelt. Brownfield sites should be built on first of which there are many.</p>
