Reasons for comment:

Comments:	<p>I write to raise my objection to this terrible proposed development. If this goes ahead, it will destroy the natural habitat and feel of the area for which we paid a considerable amount of money to move here.</p> <p>Is it not enough that you allow Gypsy sites to be erected and carved into the hillsides off Heron Hill?</p> <p>The land is clearly green belt and should be used for agricultural purposes as is the nature of the area.</p> <p>The above does not even consider the impact on local schools, doctors and amenities which as you are fully aware are stretched the limit.</p> <p>To approve this development would be an insult to the people of this area and a disgrace.</p>
