| Comments: | My objection to this project is the fact the road will not cope with the extra volume of traffic as it is chocka block especially school times there is a blind bend before blackthorn farm which has seen many accidents culverstone is an area of many lovely walks across green fields and we don't want it spoilt with a kings hill look alike development the schools are also oversubscribed as it is doctors are struggling as it is with the amount of patients they have so this is a terrible idea for culverstone and will spoil it for ever keep our country green country and not a concrete jungle |

Kind regards
