Generally happy with the proposal. There was no issue with the porch nor the front dormers, which were noted for not being too overbearing. However, the rear dormers were reduced in size and taken back after consultation via email. They are now set back further from the eaves. The proposed fourth bedroom fits with the Gravesham Housing Standards and will provide an additional bedroom for future occupiers. The proposals were also unlikely to have any significant detrimental impact to neighbouring properties in terms of outlook, sunlight and daylight.
