Reasons for comment:	
Comments:	I'm strongly object to the proposals to build on the greenfield in Wrotham rd Meopham. These fields border the road and give Meopham its distinctive countryside appeal. It is a haven for wildlife, birds, skylarks, bats and badgers. As well as agricultural land supplying the country with much needed food.local services will also be put under pressure , and the Wrotham rd will be even more busy and noisy adding to the noise and air pollution. There must be more suitable sights for development that do not impact so heavily on our beautiful countryside.

Kind regards
