Reasons for comment:	
Comments:	I object to this application as initial accessing the land with such a huge caravan to site will cause damage to Bowsden Lane residents' land. The application, so I understand from the applicant, is to provide day facilities - toilets and facilities for making tea/coffee. This huge monstrosity of a caravan provides far more than that, with two bedrooms, two bathrooms, a study, a kitchen, a lounge and a boot room. I understand the applicant does not own the land either. In addition, I am not permitted to have a caravan on my land in Shorne, along with many other residents who have the same restrictions.

Kind regards
