Reasons for comment:	
Comments:	Disgraceful abuse of the green belt , it's there for the public to enjoy , not to line the pockets of developers . Most residents of meopham are concerned and worried how these extra people are going to commute these already weighed under roads , this will cause chaos in and around surrounding area ,we are already seeing the roads around breaking up from 20 tonne lorries, once this is gone it's gone. Do you people have any clue what your doing and the detrimental affects on the area including higher co2 emissions We don't want it !

Kind regards
