Reasons for comment:	
Comments:	Wrotham road has already reached capacity with constant traffic delays and excessive traffic. Building an extra 470 dwellings will further add to an already over capacity road. Local Shops at Meopham have dismal parking allocations as it is and a further 470 dwelling will make these shops totally unusable. People make a choice to live in the country and make financial choices to do this. Building on green belt destroys the countryside.

Kind regards
