Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposed site for new houses is absolute lunacy. There is a small community here, the proposal would increase the population here by an unacceptable amount. It would leave the area unable to cope with the extra cars, would destroy natural habitats of wildlife, leave amenities unable to deal with the extra work load and current residents swamped with an influx population to the area that the area is not physically able to deal with.

Kind regards
