Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I strenuously object, Meopham is a village with a great sense of community and beautiful natural spaces. The proposed homes would not only irrevocably change the physical landscape of Meopham but also its character and ability to function. It's already straining at the seams at school pick up time and in the area around the parade where people park dangerously on the road in order to access local shops. Adding in hundreds of homes would be apocalyptic for this community and turn it from a place of pride for Kent to just another place to avoid like Gravesend or Istead Rise. There is simply no need to destroy Gravesham's rural villages and it is incredibly sad that this has been proposed.

Kind regards
