Reasons for comment:	
Comments:	This development will impact the VILLAGE greatly. The main road already cannot cope with traffic for many reasons including the secondary and primary schools and being a cut through between the A2 and M20. Infrastructure ie doctors, shops, parking is already struggling. Additions homes will add to this and have a detrimental impact on our village. Plus the farmland is lost forever. Farmland which feeds us and is home to wildlife. Any proper assessment would see that the land is not a suitable location for these homes.

Kind regards
