Reasons for comment:	
Comments:	This is Green Belt land and should not be developed on as it will create a high carbon area, whilst losing countryside and green spaces. The proposal to build on the land will mean a huge amount of local traffic that access to and from is proposed through Camer Road and would lead out to the A227 by Meopham and a one way system. This would cause enormous congestion to the local area, especially around the already very busy A227 and the impact on three nearby school that already create a very busy area.

Kind regards
