Reasons for comment:

Comments:	I am totally againts this outrageous proposal. This proposal is contrary to the Local Plan and the Greenbelt aims of preventing urban sprawl: the proposal would effectively merge the villages of Meopham and Sole Street. The proposal would generate an unacceptable increase in traffic on the rural road network as well as on the already very busy A227 (Wrotham Road), creating additional hazards to road safety. The local water supply infrastructure is inadequate to provide for a development of this size. Local fields are necessary around this already large village to capture rainwater to reduce flooding. Surface water flooding is a major issue on Norwood Lane and on the A227. Local doctors' surgeries do not have the capacity to take on new patients - this has been documented by letters from both Meopham Medical Centre and Istead Rise. The proposal would mean the loss of natural habitats of plants, mammals and birds - once developed this land would never be restored to nature. The proposal would threaten the unique nature of the individual villages bounded by agricultural fields. This must no go-ahead!
