Reasons for comment:	
Comments:	1st Meopham Scout Group (with Squirrels, Beavers, Cubs and Scouts) often use the footpath across the land proposed for development here, which we can easily access from our Scout Hut. It is therefore one of our favourite walking routes as it is accessible for all families, especially those without a car. If building goes ahead, whilst the footpath will still exist, this rural walking route will be greatly missed by us, other Scout groups and Duke of Edinburgh Groups that are drawn to Meopham each year for the wealth of footpaths with countryside views. This is in addition to the arguments laid out by others about the inability for the A227, medical facilities, schools, utilities etc to serve a larger community - they are all struggling already.

Kind regards
