Reasons for comment:	
Comments:	The proposed planning to build 725 dwellings will put huge strain on an already over subscribed doctors surgery in Meopham. This development would cause a huge increase in traffic in the area which would not be supported sufficiently, this would cause a drastic increase in congestion and make the roads less safe for children in what would become a massively built up area. One of the beauties of Meopham is the countryside areas, you would be taking this away in significant size if you were to grant this planning permission. This was one of the reasons we moved to Meopham, it would be horrific for the area if this was granted.

Kind regards
