Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I was on my monthly hike and come across the notice for the planning application for retrospective building works. I would have to say the building looks great and in keeping with the surrounding country side area. I often walk through the public footpath, and remember a dilapidated building in this place back in December 2023. Its good to see as often I see derelict buildings not looked after which is a shame.

Kind regards
