

20230726 | Erection of single storey rear extension. | Hartland House Sole Street
Cobham Gravesend Kent DA12 3AY

Cobham Parish Council objects to this application on the following:

The plan is for a co-linked plan ref-20230394, the initial plan already extends the footprint on this greenbelt land, however, this new request to be built at the same time does not state greenbelt.

Extended footprint larger than existing building between two requests on greenbelt
Rural boundary inset from greenbelt – it is eroding this (see policy CS02)

Cobham Parish Council Planning Committee
