Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>Dear Lisa Fisher, Good morning. It would have been nice to receive this letter, or other means of communication before this HMO was active. I think it has a negative impact on the neighborhood, increased parking which is seriously strained before this HMO implementation, periodic obstruction to my driveway, poor parking/obstructive parking on roadside. I also feel it takes away a neighbourly environment. Kind regards</p>

Kind regards
