Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	OBJECT OBJECT OBJECT - Infrastructure; Meopham & Instead Rose GP Practice are both at capacity, this has been highlighted by the Practice itself, how is more people in the area going to help in this matter, it is not, it is going to make the situation worse & therefore having benefit. - Wrotham Road (A227) is already incredibly busy, 1,450 extra vehicles in the area is going to cause traffic issues & increase the likelihood of a person being injured. - The additional traffic will also increase pollution & therefore being detrimental to the health & wellbeing of the current residents of Sole Street & Meopham. - What happened to safeguarding the countryside, protecting natural habitats & ancient ecosystem. - This is an absolutely ridiculous proposal, it will not prosper the area. It will bring too many people to an already overcrowded area. - Gravesham Council cannot even collect our waste properly in having to change collection dates with reasons of not having the staffing, how will they cope with the additional waste of 1,400 extra people to the area. - Shame on you if this is approved, it would show clearly how money is more important than the upstanding citizens health & wellbeing of this area.
