Reasons for comment:

Comments:

Strongly object.

- An already busy area that for some reason you feel acceptable to try to add more homes to.
- The infrastructure is already struggling with both GP practices in the area at full capacity.
- An increase in traffic and therefore pollution - absolutely disgusting.
- The roads already struggle with potholes and disrepair, so more cars will add to this meaning more road closures to try and fix these issues.
- Such a detriment to wildlife. Humans are already polluting the planet so much and you feel this is acceptable to continue with to line your pockets with money with no regard to the people or the animals that live here.

We should want to protect our village and keep the character of Sole Street.

- Prevent urban sprawl.
- Gravesham Borough Council have not designated this site suitable for development. It is Green Belt land and should not even be considered!
- Increased light pollution - very detrimental to the wildlife.
- We want to safeguard the countryside.

Kind regards
