Reasons for comment:	
Comments:	I object to this development. The area is a quite rural place with limited roads, GPs, schools etc. Many people bought here for the quiet and you want to expand it with lots more houses. The hospital cannot cope, the ambulance service and police cannot cope. I was not even allowed to cut down one tree and replace it with 5 smaller ones. Yet this development will affect wildlife and countryside. This is green belt land. Not for estates. It will lower all currant house prices and traffics and pollution will increase. Please stop building in this area.

Kind regards
