Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There are currently issues with flooding the surrounding areas of Camer and the Wrotham road. There has been notices from all gp surgery's stating they are full to capacity so cannot take new patients. Even if a new surgery was built recruiting gp's is a problem due to the shortage of them. The road infrastructure does not currently meet the needs of current residents with constant traffic lights in the village and roads not maintained to safe standards. Traffic congestion will become impossible with at least another 725 cars but more likely 1400 trying to park and shop in the village where constant problems already exist.

Kind regards
