Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

As part of the Salix De-carbonisation Programme being carried out by REAch2 Academy it is proposed to replace the heat energy generation plant with Air Source Heat Pumps (ASHP) to provide heat energy, for heating the building.

The current gas fired boilers will need to be stripped out as well as old heat emitters. New heat emitters will be installed and the boilers will be replaced with ASHP, that are enclosed in an acoustic enclosure, it will be located near to the rear entrance of the kitchen. The internal heating pipework, where it is a single pipe system, will also be stripped out and be replaced with a twin pipe system. Any gas-fired water heaters will also be replaced with electric equivalents.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
