Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The land is protected and should not be used as residential land of any type not to mention the destruction this will cause and the impact on neighbouring roads and infrastructure which struggles to cope at the est of times. There are many developments planned for the area and more are not needed due to the impact it will have on the area. The destruction of habitats and blatant disregard all developments have on nature should not be ignored.

Kind regards
