Reasons for comment:	
Comments:	I oppose this as I feel the infrastructure will be unable to cope with so many more vehicles. More pollution ,impact on wildlife ,pressure on public services, schools, doctors, local shops, policing and fire services where investment takes a back seat . The roads were flooded recently with the heavy rain and this will increase as a result of building on green / belt land. Most recently they closed Vigo Hill which caused a big disruption to the area and also caused a lot damage to the local lanes and country side. With 100s of more cars on the road the area would be unable to cope.

Kind regards
