Reasons for comment:

Comments:	<p>I'm amazed that this application is even being considered due to the proximity of the Helen Allison school.</p> <p>In addition the loss of farmland would be very short sighted, we already import too much food stuff.</p> <p>The traffic at certain times of day is chaotic and a very real danger, parking too causes additional hazards.</p> <p>Our surgery is already unable to cope with the existing population.</p> <p>The A227 is already a dangerous road, it will get worse when the new Thames crossing is completed, drainage is also unable to cope, flooding on the road is hardly a rarity.</p> <p>Altogether a bad idea.</p>
