## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>This application is next to a school for vulnerable children and will cause alarm and stress with the additional noise, traffic and population.</p> <p>The Longfield road is a narrow road and is congested especially with the start and finish times of the school day. Residents have to park on the road which also has to cater for large vehicles driving to the weigh bridge in Green Street Green. The junction with the A227 is already a potential death trap and many accidents occur there.</p> <p>The site is high grade agricultural land contributing to food production which should continue to avoid further increases in food imports costing more money. Meopham is a village and services are already at breaking point and cannot cope with increased numbers.</p>

Kind regards
