Reasons for comment:	
Comments:	<ul style="list-style-type: none">* Proposed access to site potentially very dangerous, especially when leaving as very close to an already busy junction and on to the A227 which is also very busy with many large lorries* A227 not suitable for cyclists - road too narrow.* Bus service very intermittent* Large Increase in numbers of residents would put unacceptable pressure on medical services and local schools which are already under pressure.* 350 new residences would likely produce and extra 700 cars on to the local roads

Kind regards
