Higham Parish Council 15 May 2024

As a Parish Council, we feel it is in the best interest of our village and fellow residents to provide comments to the planning application that has been submitted for the above premises for the 'change of use of an agricultural building to a light industrial use under use Class E(g).'

Our councillors would like to request Gravesham Borough Council take careful consideration of resident's objections as well as the history of these units when deciding on this planning application.
