Dear Sirs

Re 'Tawahi' Telegraph Hill, Higham, Rochester, ME3 7NW
Erection of a double storey front and rear extension, conversion of loft space to include two dormers, conversion of garage, to include a new roof. Erection of an outbuilding for car parking, storage and office space, and changes to fenestration. Ref. GR/2023/0682

We refer to the above planning application and would make the following comment.

The Society would wish to raise concerns that the property may not be well screened on the hillside and may appear intrusive when viewed from the east. Any existing trees should be protected.

The Society would suggest that the garage is conditioned that it can only be used to house motor vehicles.

Yours faithfully
