Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I would like to oppose the application on the below basis;</p> <p>Application reference - 20250992</p> <p>Meopham is a village with minimal lifestyle facilities such as schools, doctors and nurseries. The village will not be able to cope with the increased numbers in house occupants and vehicles.</p> <p>This will cause visual impact on the natural views in the village. The parade of shops is already congested with parking being an issue preventing residents attending their local shops</p> <p>The increase in traffic will have a negative impact by polluting the area heavily and roads being congested preventing access to the village.</p>

Kind regards
