Reasons for comment:	
Comments:	<p>Access will be onto an already very narrow country roads with very tight 2 lanes and limited pavements. Residents already park both sides along the road along with significantly increased cars/parking at school drop off/pick up time. The junction from the site onto the A227 is already very busy and dangerous to turn onto as oncoming cars are often travelling at speed. The parade off shops are also opposite and are already notorious for accidents and lack of parking.</p> <p>The land is green belt/farmland.</p>

Kind regards
