Reasons for comment:	
Comments:	I strongly object to this application. It is an abuse of your power and an outrageous waste of public money making greedy developers and land owners even richer. We didn't vote for this. Public money should be used to redevelop and refurbish existing buildings on brownfield sites and to invest in existing local communities to provide suitable homes where there are jobs and access to public transport, bars and restaurants, shops and schools and to support growth in our communities. Its an easy choice to keep building boxes on green pasture land but its lazy and greedy and I object strongly to this housing development proposal.

Kind regards
