Reasons for comment:

Comments:	<p>Dangerous access to Longfield Road - potentially 240+ cars. Access is adjacent to SEN school with pupils highly sensitive to noise which will cause a huge amount of disruption and stress, effecting their wellbeing.</p> <p>This land is high grade agricultural land farmed for hundreds of years. This will impact food production in the local area.</p> <p>Longfield Road is very narrow with cars often parked on both side of the road leaving only room for one car to pass at a time. This will be a lot worse with more and more cars and service + delivery vehicles causing chaos.</p>
