Reasons for comment:	
Comments:	The infrastructure in the local area is not sufficient,the Wrotham road has got increasingly busy over the last 20 years with speeding motorists and with 3 schools in close proximity it's only a matter of time before there's a major accident with the huge frate lorries that cut through from motorway to motorway.The Meopham surgery and local Darenth hospital are at capacity.The local shops on the parade on Wrotham Road get so busy that motorists have to que on the road to get a parking space and rotate until a space becomes free.Wrotham Road will also become evermore busy as it is a link between A2 and M20 connecting to the lower Thames crossing,it seem your sacrificing a beautiful historic english village and turning it into a housing estate.

Kind regards
